Dear Elizabeth:

On behalf of the Board of Directors of Advocacy Network for Children, I extend to you our gratitude and deepest appreciation for your donation of \$100 gift certificate for doggie day care, dog bed, toys, treats, and bowl for our annual fundraising dinner. Your donation was listed in our dinner program. The dinner was a huge success this year. We are excited to announce that our profit was more than \$25,000.00.

Because of the generosity of individuals like you, we are able to continue our mission of advocating for abused and neglected children. Last year the Court Appointed Special Advocates for Children (CASA) volunteers spoke in the best interest of almost 200 abused or neglected children in the Adams and McDonough County court system. The Children's Advocacy Center (CAC) program has worked to provide advocacy services and promote healing for child victims of sexual abuse or serious physical abuse in nine counties and has served over 4,000 children since opening in 1999.

Once again, I want to thank you for your generosity. It is through your support that we continue to make a difference, one child at a time.

Sincerely,

A handwritten signature in blue ink that reads "Clairice".
